

***Dadiji's sweet letter of remembrance to all the instrument teachers
and all brothers and sisters, the decoration of the Brahmin clan.***

To supremely Beloved avyakt BapDada's extremely loving children who constantly stay in the cool shadow of the Sun of Knowledge and the mother, the moon of knowledge, who always experience power and coolness, to all the brothers and sisters, the decoration of the Brahmin clan and all the instrument teachers, please accept sweet, loving remembrance.

Today, sweet Baba said: Children, whilst constantly flying in the flying stage with your wings of courage and enthusiasm, overcome all adverse, fearsome and painful situations like a game and with your power and peace, quench the thirst of all souls. Give them the experience of peace. Through this elevated co-operation, everyone will consider you to be a yogi soul. For this, practise staying in your powerful stage of ignorance of the knowledge of desires. Be a constant server and constantly co-operate. Tell me, my co-operative, server brothers and sisters, what enthusiasm do you have now? Day and night, I have the pure thought that this year, no soul should remain deprived of receiving Baba's message, and I continue to receive such news. All of you have made many plans with a lot of zeal and enthusiasm and you are serving all the villages with a lot of pomp and show to give them the message. I give thanks from the bottom of my heart to all those brothers and sisters, who even in the midst of such hot weather, don't even stop to look at the heat waves and are carrying out campaigns to give Baba's message. I received the news from all the centres of Gujarat, that no matter what happens, they have to give Baba's message to every village in Gujarat. So, all those brothers and sisters are receiving so many blessings from BapDada and everyone else. They have become instruments for unlimited service and are using their time, thoughts, breath and wealth in a worthwhile way.

Together with that, I also received the news that in many centres, many brothers and sisters have kept the aim of having 108 hours of tapasya and to fulfil that, they have special yoga every day and are doing the service of making the atmosphere powerful. According to the present time, this is also fulfilling BapDada's thoughts and making them practical and thus accumulating their incognito income. Brahma Baba says: I have special attachment to such loving souls, and this is why he brings into the subtle region the group of such yogi souls who have an honest heart, and especially feeds them the nourishment of special powers, takes them on a tour of the three worlds, makes them perform the exercise of practising and continues to make them strong. Now, the thought is: Baba, we will definitely fulfil the hopes you have in all of us.

Beloved avyakt BapDada has given us very powerful sustenance, and as a result of that, you all would definitely have gathered together with your own zones and performed the dance of harmonising sanskars. I am sure all of you must have had the pure and determined thought to become part of the rosary of 108. These elevated versions of BapDada must also surely be echoing in your ears: Children, don't become clever in opposing, but become clever in tolerating. Those who know how to tolerate situations receive blessings one hundred times over from BapDada. Therefore, never become upset about any situation. Be pure and humble in your words, nature and connections. So, tell me, brothers and sisters who take such sweet sustenance from BapDada, what plans have you made according to the present time? What is your result so far? I hope that all of you will give the news of your zone in essence to BapDada. Then, seeing the result, BapDada can then take us beyond with His drishti filled with the power of love and blessings. Achcha.

I am sure everyone's health is fine. Baba's unlimited service continues in all three places. Anyone who comes onto this land of tapasya goes back full of new inspirations and zealand enthusiasm. Achcha.

Lots of love and remembrance to all,

BK Prakashmani
