

Essence: Sweet children, you have to follow BapDada's *directions* of shrimat and become soul conscious. Whilst seeing the image (of Brahma), remember the Father without an image.

Question: Due to which greatness are you children remembered as *lucky stars*?

Answer: Due to the greatness of purity. You become pure in this final birth and do the service of making Bharat pure. This is why you *lucky stars* are even more elevated than deities. This birth of yours is as valuable as a diamond. You are very elevated servers. At this time, the soul in the Brahma form is even higher than when in the Shri Krishna form because he belongs to the Father at this time. Shri Krishna experiences his reward.

Song: You are the portrait of tomorrow....

Om shanti. The Father speaks to the children. The Father is incorporeal and children are also incorporeal. However, you have to play your *part* through the corporeal costume you have taken. The Father says to the children who play their *part* in this way: Now become soul conscious. Have the faith that you are a soul. Don't say: I, the soul, am the Supreme Soul. It was by saying this that you pushed the Father into the cycle of 84 births. You considered yourself to be the Father and put Him in the cycle of 84 births. By saying this, you went into the extreme depths of hell. The boat has begun to sink. You are now receiving shrimat. You children know that two types of instructions are remembered. One is shrimat. This shrimat is God's, that is, it is the instructions of the unlimited Father. They have inserted Krishna's name. That is *wrong*. Krishna cannot be called the Father. There are three fathers. One is the Highest on High, the Supreme Father, the Supreme Soul, the Father of souls. The second one is Prajapita Brahma. He cannot be called the Supreme Soul. He is the Father of the People. This one's name is also glorified. Krishna cannot be called Prajapita. The third is a physical father. The unlimited Father says: Children, may you be soul conscious. You are now receiving *directions* of shrimat. The instructions of both continue at the same time. You feel that Shiv Baba is explaining these elevated versions to you. Instead of saying Trimurti Shiva, they have mistakenly said Trimurti Brahma. However, there is no meaning in that. By saying Trimurti Brahma, the instructions of Brahma are remembered. They have removed Shiva. They say that Brahma came down from the subtle region and gave directions! You have now understood this. Prajapita Brahma is called the vyakt (gross) Brahma. At present, you are vyakt Brahmins and then you become avyakt and perfect Brahmins. Then you will become Brahmins, residents of the subtle region (angels). The perfect Brahma and perfect Saraswati both reside there in the subtle region. Vishnu is a dual-form anyway. Two arms are of Lakshmi and two of Narayan. These instructions are very well known. God speaks: It is Shiva who gives Brahma instructions. This one is named Brahma. Brahma exists here in the impure world. The two forms of Vishnu – Lakshmi and Narayan – are then in heaven. It is said: Dev, Mahadev. So, Shankar is Mahadev. You children understand that Shiva is the highest-on-high Father. Then He creates the creation of the subtle region. The main thing is to follow shrimat. Brahma too became well known by following shrimat. Only the one Brahma is the especially beloved child. Shiv Baba is one and Brahma is also one. It is said: Prajapita Brahma. It is not said: Prajapita Vishnu or Prajapita Shankar. You are now sitting in front of Prajapita Brahma. The Father says: Whilst living at home with your family, have the faith that you are a soul. Constantly make effort to remember Me alone. Then, it is a matter of renunciation. It is said: Knowledge, devotion, disinterest. You have renunciation through disinterest. Sannyasis first make you disinterested by saying that happiness is like the droppings of a crow. This is why they leave their household. It is said that Bharat was heaven in the golden age. Those who reside in hell say that they were residents of heaven. It is in the intellect of you children that there were only deities in heaven. In ancient Bharat, they had everything - *purity, peace* and *prosperity*. Human beings who are residents of hell sing the praise of the Father who established heaven: You are the Ocean of Happiness, the Ocean of Peace. You receive the inheritance of liberation-in-life from that Father in a *second*. Baba repeatedly asks you: With whom are you moving along? Only from Shiv Baba will you receive your inheritance. You should only keep Shiv Baba in your intellect. You will receive a lot of happiness in heaven through that. You say that you are moving along with Shiv Baba. A new person would say that Shiv Baba is incorporeal, and that this one is Brahma, and so how can you be walking with Shiv Baba? He is without an image. You children know that you are sitting

personally in front of Shiv Baba. Shiv Baba doesn't have a subtle or physical form. That incorporeal One only comes in this one's body and tells you that this one doesn't know his own births. You now know that you have truly completed your 84 births. 84 births are remembered. Lakshmi and Narayan were in the golden age and so they definitely go round the cycle of 84 births. Those of other religions come here later. They don't take as many births. At first, souls are satopradhan and later, they become tamopradhan. So this is God's shrimat. He also gives instructions to Brahma. However, because he is the specially beloved child, he imbibes it very well and explains to you. Sometimes he too comes and explains. He says: Children, may you be soul conscious. Both Shiv Baba and Brahma say: May you be soul conscious. You are now sitting personally in front in a *practical* way. He is the One without an image and you are those with an image. You tell everyone: Dear brother, dear soul, remember the Father. He speaks to souls. Caution one another and make progress. The Father says through the body of Brahma: By remembering Me, your Father, you will receive the inheritance of heaven. You mustn't be influenced by those evil spirits. The foremost vice is impure arrogance. Let go of body consciousness. Become soul conscious. Since you are brothers there definitely has to be a Father. Brahma is the father of you brothers and sisters. The Father of the brothers is the Incorporeal One. This one is corporeal. We all are originally incorporeal and then come to play our *part*. These are the versions of God Shri Shri. Krishna is not God. This one is called Prajapita Brahma. Brahma is more elevated than Krishna. At this time Brahma is higher than Krishna because Krishna's soul was in the golden age. He has come to belong to the Father in his 84th birth. Therefore, this soul is better than Krishna's because at this time, he is serving. Krishna's soul will simply reap the reward. Therefore, who is more elevated and higher between the two of them? Is it Krishna, who takes the first birth out of the 84 births or is it Brahma of this time? In fact, this birth is considered to be as valuable as a diamond because it is here that you have attainment. There you would not say that you have attainment. It is at this time that you receive all the *property*. You are very elevated servers. You make Bharat into heaven, from impure to pure and then you rule it. You are the *lucky stars* and this is why everyone bows down to you. This is the greatness of purity. This is why the Father says: Lust is the greatest enemy. It has made you impure and you now have to conquer it. The more yoga you have with Me, the Almighty Authority, the more you will continue to become pure. You were choking in the ocean of poison for 63 births. This is now your final birth. Sinners like Ajamil have been remembered. In the golden age, there is just the one pure religion of being faithful to one (husband). There is constantly nothing but happiness there. Here, people are impure. Sannyasis were satopradhan at first and so they were powerful. They would receive food wherever they were in the forests. They had the power of purity. It wasn't that they had the power of the Supreme Father, the Supreme Soul, Shiva. You receive His power. The kingdom of Maya begins in the copper age. The kingdom of Ravan, the 5 vices, continues for half the cycle. Human beings don't understand who the Purifier is. They consider the Ganges to be the Purifier. They don't know the Supreme Father at all. They say that God and His creation are infinite and that the duration of the golden age is hundreds of thousands of years. If it were like that, the population of the deity religion would be larger. The population of Christians who came later is now larger. The Father explains this. He gives you this food for the intellect. Your intellect now works so much. The intellect of human beings doesn't work now. The lock of knowing the Creator and the beginning, the middle and the end of the creation is locked. Theirs is limited renunciation and hatha yoga. Yours is unlimited renunciation and Raja Yoga. You become kings of kings, the masters of heaven. Those who are impure at this time do not tell you these secrets. They relate the 18 chapters of the Gita and give such vast explanations. They have made so many Gitas. They all have their own opinions. They cannot understand the Gita. Krishna is not God, so how could they understand the Gita? They don't understand anything at all. You now know that all of them belong to the path of devotion. The 5 vices have made them into sinners like Ajamil. It is numberwise. They cannot be the same. It is explained that God is One; He comes and teaches you Raja Yoga. Lakshmi, Narayan and their *dynasty* are becoming satopradhan from tamopradhan. The *world history and geography* has to *repeat* once again. First of all there has to be this faith: Baba, I will now only follow Your shrimat. The fortune of you children is now awakening. You are becoming the masters of the world. The fortune of everyone else is

sleeping; they are very unhappy. Original eternal Bharat was heaven; it is no longer that. They have become tamopradhan and impure. The Supreme Soul is called the Purifier. Krishna is not called that. In heaven, the light of everyone remains ignited. It is said: Deepmala (rosary of lights). Now the rosary is extinguished. The Father says: This is the rosary of My souls (who belong to Me). First, I make the rosary of souls, and then I make the rosary of Vishnu. Shiv Baba makes this through Brahma. It has been explained that the rosary of Brahmins cannot be created because sometimes you climb as high as the sky and sometimes you continue to fall down. You change from having an intellect with faith to having an intellect with doubts. Today, you are very strong Brahmins, you make others the same as yourselves, whereas tomorrow, you become shudras. Shiv Baba says: This is why a rosary of Brahmins cannot be created. You are making effort. The rosary of Rudra will be created and this is why you are having yoga. When you have complete yoga, the vessel of your intellect will become pure and you will also be able to imbibe. You claim your inheritance by remembering the Father. Your sight is drawn towards your inheritance. Children have their sight on their inheritance from their physical father. Some children say: When will this old man die so that we can receive his property? Some fathers are so miserly that they don't give anything to their children. They don't even give housekeeping money to their wives. The Father says: The main thing is to have faith in the intellect. You are holding onto the hand of the One without an image. He says through this one with an image: Remember Me. Your intellect should be like that of a genie. Shiv Baba resides in the supreme abode. Shiv Baba must now be speaking the murli in Madhuban. Repeatedly remember Shiv Baba. You are now sitting here. He says: Constantly remember Me alone and you will become a bead of My rosary. This is the knowledge of the sacrificial fire of Rudra. Brahmins are definitely needed for this. It is not written in the scriptures that Jagadamba was a Brahmin. Only the Father explains this. However, Maya is also very strong. Although you have faith, Maya quickly brings doubts. Then your intellect doesn't work to take shrimat. Then the status is destroyed. Those who ascend taste the sweetness of Paradise, whereas those who fall are totally crushed to pieces and receive a low status amongst the subjects. You children are the *lucky* stars of knowledge. You have a huge *responsibility*. Baba says: Remain cautious and don't indulge in vice. Your business is purifying the impure. You mustn't cause anyone sorrow. Make them constantly happy. The Father says "Child, child" even though he is old. He even calls the soul of this one "Child". This soul also calls that One, Father. You have to follow shrimat at every step. All the *centres* belong to Shiv Baba, not to a human being. Shiv Baba is carrying out establishment through this one. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Feed your intellect with the food of knowledge every day and make it powerful. Make the vessel of your intellect pure with yoga.
2. With the faith that you are holding onto the hand of the Father without an image, repeatedly remember the Father. Don't cause anyone sorrow.

Blessing: May you be an embodiment of all attainment and show the sparkle and intoxication of your perfect stage on your face.

The speciality of Brahmin life of the confluence age is constantly to swing in the swings of happiness, peace, joy, knowledge and bliss, to remain in the stage of imperishable intoxication of the perfect form of all attainments. On your face, you have nothing but attainment. The sparkle and intoxication of that perfect stage should be visible. Just as kings who were full of physical wealth had that sparkle on their face, here, you have imperishable attainment. Therefore, the spiritual sparkle and intoxication of attainment should be visible on your face.

Slogan: Those who always remain happy and continue to distribute the treasures of happiness are the ones with the fortune of happiness.
