

**Essence:** Sweet children, knowledge is butter and devotion is buttermilk. The Father gives you butter in the form of knowledge and makes you into the masters of the world. This is why they show butter in the mouth of Shri Krishna.

**Question:** How can you recognize someone who has faith in the intellect? What is the attainment on the basis of faith?

**Answer:** 1. Children who have faith in their intellect are the true moths who surrender themselves to the Flame, not those who simply circle around. Only those who surrender themselves to the Flame come into the kingdom. Those who simply circle around become part of the subjects. 2. The promise of the children who have faith in the intellect is: "Even in the most adverse situations, I will not let go of my religion". They have true love in their intellect and forget their bodily religions and their body and stay in remembrance of the Father.

**Song:** Leave Your throne of the sky and come down to earth.

Om shanti. God speaks. The Incorporeal Supreme Father is called God. Who said: God speaks? That Incorporeal Supreme Father, the Supreme Soul. The incorporeal Father sits here and explains to you incorporeal souls. You incorporeal souls listen through the physical organs of your body. The soul is called neither *male* nor *female*. The soul is called the soul. The soul himself speaks through these *organs*: I leave one body and take another. All human beings are *brothers*. As children of the Incorporeal Supreme Father, the Supreme Soul, you are brothers and when you become the children of Prajapita Brahma, you are brothers and sisters. Always continue to explain this to everyone. God is the Protector, the One who gives devotees the fruit of their devotion. The Father explains: I alone am the Bestower of Salvation for All. I become the Teacher of all of you and give you shrimat and then I am also the Satguru of everyone. He doesn't have a Father, *Teacher* or Guru. That Father, and not Krishna, is the One who teaches the ancient Raja Yoga of Bharat. Krishna cannot be called the Father. He is said to be the *prince* of heaven who has divine virtues. Only the One is called the Purifier and the Bestower of Salvation. Now all souls are unhappy, impure and corrupt. Bharat itself is divine and elevated in the golden age. Then it becomes the corrupt devilish kingdom. Everyone says: Oh Purifier, come! Come and establish the kingdom of Rama. Therefore, it is now the kingdom of Ravan. People burn Ravan, but none of the scholars, teachers or pundits know what Ravan is. The golden age and the silver age are the kingdom of Rama and the copper age and the iron age are the kingdom of Ravan. The day of Brahma is the day of the Brahma Kumars and Kumaris. The night of Brahma is the night of the Brahma Kumars and Kumaris. Now the night is to end and the day is to come. It is remembered: There are those who have a non loving intellect at the time of destruction. There are also the three armies. The Supreme Father is called the *Most Beloved God, the Father, the Ocean of Knowledge*. So He must definitely be giving you *knowledge*. He is the Living Seed of the world. He is the *Supreme Soul*, that is, He is God the Highest on High. It isn't that He is omnipresent. To say that He is omnipresent is to *defame* the Father. The Father says: By defaming Me, there has been defamation of religion and Bharat has become poverty-stricken and corrupt. I have to come at such a time. Bharat itself is My *birthplace*. The Somnath Temple and the temples to Shiva are here. I make My *birthplace* into heaven and then Ravan makes it into hell. This means, by following the dictates of Ravan, people have become residents of hell, the devilish community. Then, I change them and make them elevated and into the divine community. This is the ocean of poison and that is the ocean of milk. Rivers of ghee flow there. In the golden and silver ages, Bharat was always happy and *solvent* and there were palaces of diamonds and jewels. Bharat is now 100% *insolvent*. I alone come and make it 100% *solvent* and elevated. People have now become so corrupt that they have forgotten their divine religion. The Father sits here and explains: The path of devotion is buttermilk and the path of knowledge is butter. They show butter in the mouth of Krishna. That means he had the kingdom of the world. Lakshmi and Narayan were the masters of the world. The Father Himself comes and gives you the unlimited inheritance, that is, He makes you into the masters of the world. He says: I do not become the Master of the world. If I were to become the Master, I would then also have to be defeated by Maya. You are the ones who are defeated by Maya. So, you then have to gain victory. You are trapped in the five vices. I am now making you worthy of living

in a temple. The golden age is a big temple and that is called Shivalaya which is established by Shiva. The iron age is called the brothel; all are vicious. The Father now says: Renounce the religions of the body, consider yourself to be a soul and remember Me, your Father. You children now have love for the Father. You don't remember anyone else. You are those who have a loving intellect at the time of destruction. You know that only the Supreme Father, the Supreme Soul, is called Shri Shri 108. They turn the beads of the rosary of 108. Up above is Shiv Baba, then the mother and father, Brahma and Saraswati, and then their children who make Bharat pure. The rosary of Rudraksh has also been remembered. This is called the sacrificial fire of the knowledge of Rudra. This is also such a big imperishable sacrificial fire in which the horse is sacrificed to receive self-sovereignty. It has been continuing for so many years. All the innumerable religions are to be sacrificed into this sacrificial fire for only then will this sacrificial fire end. This is the imperishable sacrificial fire of imperishable Baba. All the materials are to be sacrificed in this. Children ask: When will destruction take place? Oh, but those who establish something then have to sustain it. This is Shiv Baba's chariot. Shiv Baba is the Charioteer in it. However, there aren't any horse-chariots etc here. They have just sat and made up the paraphernalia of the path of devotion. Baba says: I take the support of this matter. The Father explains: At first, there is unadulterated devotion and then by the end of the iron age, it is completely adulterated. Then the Father comes and gives the butter to Bharat. You are studying to become the masters of the world. The Father comes and feeds you butter. Buttermilk begins in Ravan's kingdom. All of these matters have to be understood. New children cannot understand these things. Only the Supreme Father, the Supreme Soul, is called the Ocean of Knowledge. The Father says: No one on this path of bhakti can find Me. Only when I come do I give the devotees the fruit of their devotion. You children who have faith in the intellect are the moths who surrender themselves to the Flame, the Father. Some moths completely surrender themselves whereas others simply circle around and go away. They don't understand anything. Children who surrender themselves know that they truly receive an unlimited inheritance from the unlimited Father. Those who simply circle around and go away will then become part of the subjects, numberwise. Those who surrender themselves claim their inheritance numberwise according to the effort they make. The reward received is according to the effort made. Only the one Father is the Ocean of Knowledge. Then this knowledge disappears. You would have then received salvation. There are no gurus etc. in the golden and silver ages. Everyone now remembers that Father because He is the *Ocean of Knowledge*. He grants salvation to everyone. Then the cries of distress end and there is the joy of victory. You know the beginning, middle and end of the world. You have now become trikaldarshi and trinetri. You are now receiving all the *knowledge* of the Creator and the beginning, the middle and the end of creation. This is not a tall story. The Gita is spoken by God, but they have falsified it by inserting Krishna's name. You children now have to benefit everyone. You are the Shiv Shakti Army. It is remembered: Salutations to the mothers! Salutations are given to those who are pure. When a kumari is pure, everyone bows down to her. As soon as she goes to her in-laws and becomes impure, she continues to bow down to everyone. Everything depends on purity. Bharat had the pure household religion. It is now the impure household religion. There is nothing but sorrow. It is not like that in the golden age. The Father brings heaven on the palm of His hands for you children. Whilst living at home, you can claim your inheritance of liberation-in-life from the Father. There is no question of leaving your home and family. The path of isolation of the sannyasis is separate. You now promise the Father: Baba, I will definitely become pure and become a master of the pure world. Then "whatever happens I will never leave my religion". Donate the five vices so that you are freed from the eclipse of Maya and you will then become 16 celestial degrees full. In the golden age, they are sixteen celestial degrees full, fully viceless. You now have to follow shrimat and once again become like that. God is the Lord of the Poor. Wealthy ones are unable to take this knowledge for they think that because they have a lot of wealth etc, that they are now sitting in heaven. This is why only the innocent, the weak and those with a stone intellect take this knowledge. Bharat is poor. Amongst them too, the Father only makes those who are ordinary and poor belong to Him. It is only in their fortune. The example of Sudama is remembered. The wealthy don't have time to understand these things. Daughters used to go to Rajendra Prasad (Former President Of India). They told

him: Know the unlimited Father and you will become worth a diamond. Do this seven days' *course*. He used to say: Yes, what you are saying is very good. I will take the *course* after I have *retired*. When he *retired*, he said: I am now ill. Eminent people don't have time. Only when they first complete the seven days' *course* can they have the intoxication of becoming Narayan. They cannot be coloured just like that. It is only after seven days that you can tell whether someone is worthy or not. If he is worthy, he will become engaged in the effort to study. Unless someone is very firmly coloured in the furnace (bhatthi), as soon as he goes outside, the colour fades and this is why you first have to colour them very firmly. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

**Essence for dharna:**

1. Become a Shiv Shakti and benefit the world. On the basis of purity, change human beings who are worth shells and make them worth diamonds.
2. According to shrimat, donate the vices and become fully viceless, 16 celestial degrees full. Become the moths who surrender themselves to the Flame.

**Blessing:** May you be a *holy* swan and increase your account of accumulation through your powerful thoughts.

Just as a swan is able to separate stones from jewels, in the same way, you *holy* swans are those who are able to discern between that which is powerful and that which is wasteful. Just as a swan would never pick up stones, but separates them and puts them to one side and doesn't take them, in the same way, you *holy* swans leave aside anything wasteful and imbibe powerful thoughts. You have been listening to wasteful things for a long time, you spoke of such things and you did such things, and as a consequence of that, you lost everything. You are no longer those who make a loss, but those who increase their account of accumulation.

**Slogan:** Tie the bracelet of the Godly codes of conduct on yourself and all bondages will end.
