

Essence: Sweet children, always donate to those who are worthy. Don't *waste* your time unnecessarily. Whilst they are listening to you, feel their pulse as to where their attitude is drawn.

Question: In order to go to the pure world, you children have to observe very strict precautions. What are the precautions you have to observe?

Answer To live in a household like a lotus flower is the most difficult precaution. Our renunciation is of the whole old world. In one eye, we have the *sweet home* and in our other eye, we have the *sweet kingdom*. Whilst seeing this old world, you mustn't see it. This is a very strict precaution. By observing this precaution, you go to the pure world.

Song: Have patience, o mind. Your days of happiness are about to come.

Om Shanti. The mercury of happiness of you children should rise as soon as you hear the song because there truly is sorrow in the world. All human being are truly atheists, that is, they don't know the Father. You are now becoming theists from atheists. You children know that your days of happiness are now coming. Wherever you go, first of all, give your introduction and say why you call yourselves Brahma Kumars and Brahma Kumaris. Brahma is Prajapita, a child of Shiva. That Incorporeal One is called the Highest on High. Brahma, Vishnu and Shankar are His children. Vishnu and Shankar can never be called Prajapita. Brahma exists here. Look, you have to imbibe this *point* very well. Lakshmi and Narayan and Radhe and Krishna cannot be called Prajapita. The name "Prajapita Brahma" is very well-known. This Prajapita is corporeal. The Creator of heaven is the Supreme Father, the Supreme Soul, Shiva. Brahma is not the Creator of heaven. Only the Incorporeal Supreme soul comes and creates heaven through Prajapita Brahma. There are so many of us, his children. Souls are the children of the Supreme Father, Shiva. A very good method of explaining is required. Tell them: He is teaching us Raja Yoga. He is explaining to us the secrets of the beginning, the middle and the end of the world through Brahma. Therefore, this Brahma hears it first. Jagadamba then also hears it. We are BKs. It is remembered: A kumari is one who uplifts 21 clans and gives happiness for 21 births. We are claiming our inheritance from the Supreme Father, the Supreme Soul, in order to receive happiness for 21 births in the golden and silver ages. Truly, Bharat was constantly happy in the golden and silver ages; there was also purity at that time. So He is also our Baba. This one is Dada. The One who has so many children doesn't have any concern. He has so many children. Shiv Baba is teaching us Raja Yoga through Brahma. We are receiving an inheritance from that unlimited Father. The whole world is impure and it is only the one Father who purifies it. There is only that one Satguru, the Creator of heaven, who transforms the old world. He is also the Bestower of Salvation for All. In the new world, there is only the kingdom of Lakshmi and Narayan. Only the deities of the deity kingdom in Bharat take 84 births. Then, you also have to explain about the different clans. You must make an appointment with them in advance. Tell them: Listen to these things with full attention. Don't allow your intellect to wander. Brothers, sisters, all of you are in fact children of Shiva. Prajapita Brahma is the *head* of the whole genealogical tree. We Brahmins, the mouth-born creation of Brahma, are claiming our inheritance from Him. We are claiming the kingdom of the world with the power of yoga, not with physical power. We do not renounce our home and family. We live in our own homes. This is a *school* for changing from human beings into deities. No human beings can make anyone into deities. This world is itself impure. The River Ganges is not the Purifier. People repeatedly go to bathe there, but they don't become pure. In the same way, there is also the example of Ravan. They repeatedly burn his effigy, but he doesn't die. You should also take with you the *posters* of Ravan. When you go to a big place, you should also take a photo-*album* with you. Tell them: Look, all of these are the children. They have all made a promise to remain pure. In fact, all are the children of Brahma. Prajapita Brahma is the *head* of the genealogical tree. At this time, we are Brahma Kumars and Kumaris in a *practical* way. You too are that, but you don't know it. There are no true brahmins in the world now. We are the true Brahmins. We are the ones who claim a kingdom. Then, this is the genealogical tree of Brahmins. Brahmins are the top-knot. It has been explained to you children that Krishna is not God. He takes the full 84 births. As soon as you complete your 84 births, you have to become deities again. Who can make you that? The Father makes you that. We are studying Raja Yoga with Him. His praise is: The Incorporeal One. He is incorporeal and

egoless. He has to come and serve. He enters the impure world in an impure body. That same *episode* of the Gita is now being *repeated*. There was the great war and all returned like a swarm of mosquitoes. It is now that same time when the Supreme Father, the Soul, God Shiva speaks. He is the Creator. There used to be the kingdom of Lakshmi and Narayan in heaven. It is the task of the Father alone to make the world satopradhan. We say to Him, "Baba, Baba!" He definitely comes. There is Shiv Ratri, the night of Shiva. You should also tell them the meaning of that. You should *note* down these *points* and imbibe them. These *points* should remain in your intellect. The intellect of kumaris is good. People wash the feet of kumaris. In fact, both kumars and kumaris are pure, so why is the name of the kumaris remembered? It is because at present your name is remembered as a kumari who uplifts 21 generations that your respect has continued. We are doing spiritual service of Bharat. Our Master, our Helper is the Supreme Father, the Supreme Soul, Shiva. We take power from Him with the power of yoga through which we become *ever-healthy* for 21 births. This is a *guarantee*. In the iron age, all are diseased and their life-span is short. How is it that people have such a long life-span in the golden age? It is through this Raja Yoga that you become those with a long life-span. There is no untimely death there. You shed a body and take another. This is an old skin. Stay in remembrance of Shiv Baba and forget all your relationships, including your body. We have unlimited renunciation with our intellect. This is the spiritual pilgrimage of our intellect's yoga. It is human beings who teach those physical pilgrimages. No one, apart from the Father, can teach us the pilgrimage of the intellect. Only those who study this Raja Yoga will go to heaven. The *sapling* is now being planted once again. All of us are the children of that Father. We children receive an inheritance from Shiv Baba. This Dada too receives an inheritance from Shiv Baba. You too should claim your inheritance from the unlimited Father. This is a big *hospital*. We will not become diseased for 21 births. We are doing the true service of Bharat, and this is why the Shiv Shakti Army has been remembered. The Father now says: Have your sins absolved through remembrance and the soul will become pure. And by imbibing knowledge you will become the kings who rule the globe. When we become pure, we will be able to marry Lakshmi or Narayan. If you don't become full of virtues and completely viceless here, how would you be able to marry Lakshmi or Narayan? This is why it is said: Look at yourself in the mirror. Have I become worthy to marry Lakshmi or Narayan? If you don't become a complete destroyer of attachment, you won't be able to marry Lakshmi or Narayan. Then you will become part of the subjects. Shiv Baba also has to come here from the supreme abode. He would definitely come into the impure world, make you pure and take you back. Here, we have to observe many precautions. In one eye we have our *sweet home* and in our other eye we have the *sweet* kingdom. Our renunciation is of the whole world. Whilst living at home, we live a life as pure as a lotus. Elderly people believe that, because they are in the stage of retirement, they should make effort to go to the land of liberation. At this time, it is the stage of retirement for everyone. You all have the right to claim your inheritance from the Father. You have to forget the land of sorrow. This is renunciation with the intellect. We remove the old world from our intellect and remember the new world. Then, at the end our final thoughts lead us to our destination. This is the biggest *God-Fatherly University*. God speaks: I teach you Raja Yoga and change you from human beings into deities. You should explain in this way. Tell them: Sit and listen to what we tell you. When they ask questions in between the flow breaks. I am going to tell you the secret of the whole cycle. What is Shiv Baba's *part* in the *drama*? Who are Lakshmi and Narayan? We will tell you the biography of everyone. You should feel everyone's pulse. You should check their attitude at that time as to whether they are listening attentively or just sitting there like a crazy person. Check that they are not looking around, here and there. Here, Baba too checks to see who sits in front of Him and sways in happiness. This is the *dance* of knowledge. Those *schools* are smaller and the *teachers* can see the students very well and they also sit numberwise. Here, there are many of you; you cannot be made to sit numberwise. So, it has to be seen whether anyone's intellect is wandering anywhere. Are they smiling? Does the mercury of their happiness rise? Do they listen attentively? Always make donations to those who are worthy. Don't *waste* your time unnecessarily. You also need common sense to feel their pulse. People are afraid. Sindhis especially think that perhaps the BKs would cast a magic spell and so they don't even look at you. Shiv Baba explains: Only you Brahmins become trikaladarshi. Then, you also have

to explain the secret of the clans. You also have to explain the meaning of “hum so”. It is *wrong* to say: I the soul am the Supreme Soul. Then, there are also those who believe in the brahm element. They say: I am brahm. Maya is the five vices, and we believe in the brahm element. However, brahm is the great element where we souls reside. Just as those living in Hindustan call their religion the Hindu religion, similarly, those people (sannyasis) who believe in the brahm element, call themselves brahm. The praise of the Father is separate. “Full of all virtues, sixteen celestial degrees complete”, is the praise of the deities. A soul is praised when it is in a body. It is the soul that becomes impure or pure. A soul cannot be said to be immune to the effect of action. Such a tiny soul has a *part* of 84 births. How could it be immune to the effect of action? Baba is now establishing *peace*, so what *prize* do you children give to Baba? He gives you the *prize* of the kingdom of heaven for 21 births. What do you give to Baba? Whatever *prize* anyone gives to Baba, he also claims such a great *prize* from Baba. This one gave a *prize* first of all. Shiv Baba is the Bestower. Kings never accept anything in their hands from others. They are said to be the bestowers of food, the providers. Human beings cannot be called bestowers. Even though you give to sannyasis etc. it is Shiv Baba, the Bestower, who has to give you the *return* fruit. People say: God gave everything. God takes everything. So, why do you then cry when someone dies? However, He neither takes nor gives. It is physical parents who give birth. So, they then feel sorrow when their child dies. If God gave the child, why should they feel sorrow? Baba says: I am beyond happiness and sorrow. This Dada gave everything he had and this is why he also receives the *full prize*. Kumaris don’t have anything. If they receive anything from their parents, they can give it to Shiv Baba. For example, Mama was so poor, but look how she has gone ahead. She is serving with her body, mind and wealth. You know that you are going to the land of happiness *via* the land of peace. Until we go to the Father, how can we go to our in-laws’ home? We are sitting in our parents’ home. We will first go to our Father and then to our in-laws’ home. This is the cottage of sorrow and the golden age is the cottage free from sorrow. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. In this stage of retirement, apart from remembering your *sweet home* and your *sweet* kingdom remove everything else from your intellect. Become complete destroyers of attachment.
2. Have unlimited renunciation and with your intellect’s yoga, go on the spiritual pilgrimage. Become pure by following shrimat and do true service of Bharat.

Blessing: May you be constantly cheerful and with your sanskars of lightness and easiness, go beyond the attraction of good and bad.

Make your sanskars so *easy* that you remain *easy* whilst performing any task. If your sanskars are *tight*, then your *circumstances* also become *tight* and those in relationship and connection with you also have a *tight* interaction with you. To be *tight* means to be pulled in a tug of war. Therefore, with your easy sanskars, whilst observing every scene of the *drama*, remain beyond the attraction of good and bad. Neither anything good nor bad should attract you, for only then will you be able to remain cheerful.

Slogan: Only those who are full of all attainments can become ignorant of the knowledge of desires.
