

Essence: Sweet children, the unlimited Father teaches you this *wonderful* study. You should not have any doubt in the Father or His teachings. The first faith you need to have is who it is that is teaching you.

Question: Why have you children received shrimat to stay constantly on the pilgrimage of remembrance?

Answer: Because Maya, the enemy, who has made you fall, is even now chasing you. She will now not leave you alone and you must therefore not be careless. Although you are at the confluence age, you have belonged to her for half the cycle and she will therefore not leave you alone easily. As soon as you forget remembrance, Maya makes you perform sinful actions. Therefore, you have to remain cautious. You mustn't follow devilish dictates.

Om shanti. At this time there are the children and also Baba. Baba says to all the children, "Oh child," and all the children say, "Oh Baba!" There are many children. You understand that this knowledge is only for you souls. The one Father has so many children. You children know that the Father has come to teach you. First of all He is our Baba, then the Teacher and then the Guru. The Father is always the Father. So, He teaches you the pilgrimage of remembrance in order to purify you. Children also understand that this is a *wonderful* study. No one apart from the Father can tell you the secrets of the beginning, middle and end of the drama. This is why He is called the unlimited Father. Children definitely have this faith. There can be no question of doubt in this. No one apart from the unlimited Father can teach you this unlimited study. You call out to Baba to come and take you to the pure world because this is the impure world. The Father takes you to the pure world. There, you would not say, "Baba, come and take us to the pure world!" You children know that He is the Father of you souls. So, the consciousness of the body breaks. Souls say: He is our Father. You should at least have the faith that truly no one except the Father can give so much *knowledge*. First of all there has to be this faith in the intellect. It is the soul that has faith in the intellect. The soul receives knowledge: "This is our Baba." You children should have this very firm faith. You don't have to say anything. We souls shed one body and take another. All the sanskars are in the soul. You know that Baba has now come. He educates us and teaches us such actions that we will not return to this world. Those people believe that they will come back to this world. You don't believe that. You listen to this story of immortality and go to the land of immortality. The land of immortality is where you are always immortal. The golden and silver ages are the lands of immortality. You children should be so happy. No one except the Father can teach you this study. The Father is teaching us, whereas all the other *teachers* are *ordinary* human beings. The Father whom you call the Remover of Sorrow and the Bestower of Happiness is now personally teaching you. How can you study the study of Raja Yoga without being personally in front of Him? The Father says: I come here to teach you *sweet* children. I enter this one in order to teach you. It is truly said that God speaks and so He would surely need a body. He doesn't need just a mouth, but a whole body. He Himself says: Sweetest spiritual children, I enter this ordinary body at the confluence age of every cycle. He is neither too poor nor too rich; he is ordinary. You children should have the faith that that One is our Baba and that we are souls. He is the Baba of us souls. He is the Baba of all the human souls of the world. This is why He is called the unlimited Baba. People celebrate the birthday of Shiva, but no one knows anything about that. Ask anyone from which time people have been celebrating the birth of Shiva and they will say, "From time immemorial". But, even then, from when? There has to be a *date*! The drama is eternal. However, there has to be the time and date of any *activity* that takes place in the drama. No one knows this. Shiv Baba comes here, but people don't celebrate Shiv Jayanti with that *love*. They celebrate the birthday of Nehru with so much *love* that they would even have tears. No one knows about Shiv Jayanti. You children are now experienced. There are so many people who don't know anything. So many melas etc. take place. Those who go there can tell you what really exists there, just as Baba has told you about the example of Amarnath. He went there and saw what really happens there. Other people simply tell you what they have heard from others. Someone said that there is an ice lingam there, and they would say, "That is true." You children are now experienced in what is *right* and what is *wrong*. Whatever you have heard and studied up to now has been *unrighteous*. It is sung: The body is false, Maya is false and the world is false.... This is the land of falsehood and that is the land of truth. The golden,

silver and copper ages have now *passed* and the iron age is now continuing. Very few people know this. You have all of these thoughts in your intellect. The Father has all the *knowledge*. He is called the Ocean of Knowledge. He is giving you whatever *knowledge* He has through this body and making you the same as Himself. A teacher would also make others the same as himself. The unlimited Father also tries to make you the same as He is. A physical father does not make you the same as he is. You have now come to the unlimited Father. He knows that He has to make you children the same as Himself. Just as a *teacher* makes students the same as himself, but they are numberwise, so this Father also says the same, that you will become this numberwise. What I am teaching you is the imperishable study. Whatever each one of you studies, that will not go to waste. As you progress further, people will tell you: I heard this knowledge four years ago or eight years ago and I have now come once again. Some then cling to Me. He is the Flame and so some moths totally sacrifice themselves to Him whereas others simply circle around and go away. In the beginning, many moths sacrificed themselves to the Flame. According to the *drama-plan* a bhatthi had to be created. It has been happening in the same way every cycle. Whatever happened in the *past*, it happened in the same way in the previous cycle and the same will happen in the future. However, you must have the firm faith that you are a soul and that the Father is teaching you. Remain firm in this faith, do not forget. There wouldn't be any human being who doesn't consider his father to be a father. Even if he has become separated from his father, he would still think that he has become separated from his father. This One is the unlimited Father. We will never leave Him. We will remain with Him till the end. This Father grants everyone salvation. He comes every 5000 years. You understand that there are very few human beings in the golden age. All the rest reside in the land of peace. Only the Father speaks this *knowledge*. No one else can relate it. It cannot sit in anyone's intellect. He is the Father of you souls. He is the Living Seed. What *knowledge* would He give? That of the world tree. The Creator would definitely give *knowledge* of creation. Did you know when it was the golden age or where it went? You are now sitting in front of Baba and Baba is speaking to you. Continue to have the firm faith: This One is the Father of all of us souls. He is teaching us. He is not a physical *teacher*. Incorporeal Shiv Baba who teaches us is present in this body. Even though He is Incorporeal, He is the Ocean of Knowledge. People say that He doesn't have a form. They also sing the praise: The Ocean of Knowledge, the Ocean of Happiness, but they don't understand that. According to the drama, they have gone very far away whereas the Father brings you very close. This is a matter of 5000 years. You understand that Baba comes to teach you every 5000 years. You cannot receive this *knowledge* from anyone else. This *knowledge* is for the new world. No human beings can give it to you because they are tamopradhan. They cannot make anyone satopradhan. They continue to become tamopradhan. You now know that Baba enters this one and tells you everything. The Father says: Children, do not make any mistakes. Your enemies who made you fall are even now after you. They will now not leave you alone. Although you are now at the confluence age, you have belonged to them for half the cycle and so they will not leave you alone that quickly. If you don't remain cautious, if you don't remember Baba, they will make you perform more sinful actions, and you will then continue to be slapped in one way or another. People now slap themselves. Look what they continue to say! They say that Shiva and Shankar are one and the same. What is the *occupation* of one and what is the occupation of the other? There is so much difference. Shiva is God, the Highest on High, whereas Shankar is a deity. So, how can they say that Shiva and Shankar are combined? The parts of both are totally separate. Here too, many have double names such as RadheKrishna, LakshmiNarayan, ShivShankar etc. They have given themselves both names. So, you children understand that whatever the Father has explained up to now will *repeat*. However, there are a few more days remaining. The Father will not just sit here. Children will study numberwise and become completely karmateet. According to the drama, the rosary will also be created. Which rosary? The rosary of all souls will be created and then you will all go back home. The *number one* rosary is you. The rosary of Shiv Baba is very long. Souls will come down from there to play their parts numberwise. You all continue to say, "Baba, Baba". All of you are beads of the one rosary. Not everyone would be said to be a bead of the rosary of Vishnu. The Father sits here and teaches you. You definitely have to become part of the sun dynasty. Those who were the sun dynasty and moon dynasty in the *past* will become that again.

You receive this status through your study. You cannot receive this status without the Father's teachings. There are the images, but no one's *activity* is such that they can become like them. You listen to the story of the true Narayan. They have written such stories in the Garuda Purana which people continue to relate to one another. The Father says: This river of poison is the extreme depths of hell. Bharat in particular is called this. The omens of Jupiter are also over Bharat. The Seed of the Tree teaches the people of Bharat. The unlimited Father sits here and explains to you unlimited things. There are the omens. There are also the omens of Rahu and this is why it is said: Make a donation and the omens will be removed. The Father says: At the end of this iron age, there are the omens of Rahu over everyone. Now, I, the Seed of the Tree have come to bring the omens of Jupiter to Bharat. In the golden age there were the omens of Jupiter over Bharat. There are now the omens of Rahu. This is an unlimited matter. These things are not mentioned in any of the scriptures etc. Only those who have understood a little of this knowledge already will understand these *magazines* etc. After reading the *magazines*, they will come running to understand more. Others will not understand anything. Those who have studied a little and then left will be awakened as soon as a little oil of knowledge is poured into them. Knowledge is also called oil. The Father has come and is pouring oil into the lamps that have almost become extinguished. He says: Children, storms of Maya will come and will extinguish your lamps. Some moths die on the Flame and some simply circle around and go away. That same thing is now happening in a practical way. All are moths numberwise. At first, you completely left your home and came here and became the moths. It was as though you won a *lottery*. Whatever happened in the *past*, you will do the same again. Even if some have gone away, do not think that they will not go to heaven. They became moths and became the lovers and then Maya defeated them, and so their status will be reduced. It is numberwise. This would not be in the intellect of anyone in any of the other spiritual gatherings. It is in your intellects that we are studying with the Father for the new world numberwise according to our efforts. We are personally sitting in front of the unlimited Father. You also know that you cannot see a soul. It is something subtle. They can only be seen with divine vision. I, the Soul, am also a tiny point. However, to renounce body consciousness and to consider yourself to be a soul is a high study. In other studies too, students *fail* the *difficult subjects*. This *subject* is very easy, but some *feel* it is *difficult*. You now understand that Shiv Baba is sitting in front of you. You are also incorporeal souls, but you have a body. Only the unlimited Father speaks all of these things to you. No one else can speak them. What will you do then? Give Him *thanks*? No. Baba says: This drama is eternally predestined. I am not doing anything new. I teach you according to the drama. It is on the path of devotion that one gives *thanks*. A *teacher* feels that if his *students* study well, his name will be glorified, and then *thanks* are given to the *students*. *Thanks* are given to those who study well and those who teach well. *Students* would then give *thanks* to their *teacher*. The Father says: Sweet children, may you remain alive and continue to do such *service*. You did it this in previous cycle. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Always have the intoxication and faith that it is not a physical *teacher* who is teaching you. The Incorporeal Father, the Ocean of Knowledge, Himself has become the *Teacher* and is teaching you. We have to become satopradhan through this study.
2. Pour the oil of knowledge into the lamp of the soul every day. Always remain ignited with the oil of knowledge in such a way that even the storms of Maya cannot make you fluctuate. Become true moths and sacrifice yourselves to the Flame.

Blessing: May you be a true server, free from obstacles, but continue to move forward by considering the obstacles in service to be stepping stones to success.

Morning Murli Om Shanti BapDada

Madhuban

Service is a means of making you constantly free from obstacles in your Brahmin life. It is also in service that there are greater test papers through the obstacles. A server who is free from obstacles is a true server. It is fixed in the drama for obstacles to come. They have to come and they will continue to come, because these obstacles and *papers* make you experienced. Do not consider it to be an obstacle, but feel that it is making you progress through experience. See it with this vision and it will be experienced as a stepping stone to progress and you will continue to move forward.

Slogan:

Do not become an obstacle, but become a destroyer of obstacles.
